## Accomplishments

We had a great time at International Martial Arts and Taiji Invitational by NCCAF held on August 9<sup>th</sup>. Every competitor did an excellent job!!

### \*\*\* Referral Rewards \*\*\*

In order to express our appreciation for bring in new students, we are introducing a Referral Reward Program effective September 1 – December 31, 2014. As the current enrolled student, you will get \$40 gift card for referring a new student who purchases a year lesson from our school. Please see the front desk for details.

## 槍如遊龍，棍似旋風

Spear is like a meandering dragon while staff is like a whirlwind.

The difference between a spear and a staff lies in how you use it. For mastering spear, skill and precision are more important than power and strength, which are a key to mastering a staff. Spear's unpredictable thrust is just like a meandering dragon. Staff's fierce speed seems able to cause a whirlwind.
